VISION OF THE INSTITUTE

"To create professionally competent leaders for industry with social commitment".

ABOUT THE INSTITUTE

Swayam Siddhi Campus is located in Bhiwandi, Thane District of Maharashtra, India. It is raised and governed by the expert hands of our Well Qualified Dynamic Managing Trustee, C.A. Parag Khandekar who has vast expertise in providing quality education. An entire building is dedicated for education of Post graduate students where we offer MMS & MCA Degrees from University of Mumbai. Swayam Siddhi Mitra Sangh's College of Management & Research is one of the best management colleges in Thane district where innovative management skills are been taught by talented and experienced professors. Swayam Siddhi College offers Free Foreign Educational Visit to students which is a part of their study course. Also various experienced mentors provide interactive sessions and guidance to our Management students.

We have been able to build our reputation because of the high quality standards of management training that we provide to our students, using pedagogical methods that combine traditional, modern and innovative approaches to teaching. We regularly conduct seminars, conferences and workshops on topical subjects and current issues at our institute with the objective of updating the knowledge base of our students as well as faculty on a continuous basis.

MISSION OF THE INSTITUTE

M1: To instill human values and leadership qualities for holistic development of students.

M2: To develop analytical skills and capacity in students to achieve leading position in Business organizations

M3: To Enrich students with practical business management knowledge by providing industrial & corporate exposure to develop entrepreneur spirit

M4: To inculcate innovative & Sustainable solution to accomplish the Dynamic socio economic needs through research
