About the Institute

Swayam Siddhi Campus is located in Bhiwandi, Thane District of Maharashtra, India. It is raised and governed by the expert hands of our Well Qualified Dynamic Managing Trustee, C.A. Parag Khandekar who has vast expertise in providing quality education. An entire building is dedicated for education of Post graduate students where we offer MMS & MCA Degrees from University of Mumbai. Swayam Siddhi Mitra Sangh's College of Management & Research is one of the best management colleges in Thane district where innovative management skills are been taught by talented and experienced professors. Swayam Siddhi College offers Free Foreign Educational Visit to students which is a part of their study course. Also, various experienced mentors provide interactive sessions and guidance to our management students.

We have been able to build our reputation because of the high-quality standards of management training that we provide to our students, using pedagogical methods that combine traditional, modern and innovative approaches to teaching. We regularly conduct seminars, conferences and workshops on topical subjects and current issues at our institute with the objective of updating the knowledge base of our students as well as faculty on a continuous basis.

Our Institution's

VISION

To create professionally competent leaders for industry with social commitment.

MISSION

M1: To instill human values and leadership qualities for holistic development of students.

M2: To develop analytical skills and capacity in students to achieve leading position in Business organizations.

M3: To Enrich students with practical business management knowledge by providing industrial & corporate exposure to develop entrepreneur spirit.

M4: To inculcate innovative & sustainable solution to accomplish the dynamic, socio-economic needs through research.

Capegemini Training

The Capgemini training commenced on October 8, 2025. Students attended a 15-day training program at the Capgemini company. During this period, they gained practical exposure and observed how a company functions, along with various processes followed within the organization. The sessions were interactive, and students actively participated throughout the two-week training program.

Faculty Welfare

The Faculty Welfare Program was held on October 9, 2025. During the session, faculty members participated in various critical thinking and team collaboration games, which helped improve coordination and strengthen rapport among them. The program was both joyful and fruitful, as it provided an opportunity to learn many new ideas and demonstrated how games can enhance intellectual abilities. The winners were felicitated.

Blood Donation Camp

The Blood Donation Camp was organized on October 11, 2025, in collaboration with Bhiwandi Blood Bank to promote awareness about voluntary blood donation. Students, faculty members, and non-teaching staff participated enthusiastically, reflecting a strong sense of unity and social responsibility. The initiative successfully encouraged many to contribute towards saving lives through this noble cause.

Flutter Workshop

Mr. Abhi Vikas conducted an engaging and interactive session on October 11, 2025 on building mobile applications using Flutter. The session provided MCA students with valuable insights into cross-platform app development and modern mobile application frameworks. He demonstrated key concepts through practical examples, enabling students to understand the fundamentals of UI design, widgets, and application structure in Flutter.

Students actively participated in the session and gained hands-on experience in developing mobile applications. The program was highly informative, skill-oriented, and well-received, inspiring students to explore innovative opportunities in mobile technology.

Placement Drive - October 11, 2025

Bajaj Allianz successfully conducted its campus placement drive on 11th October 2025, attracting enthusiastic participation from students across various disciplines. The drive aimed to identify and recruit young talent for diverse roles within the organization. Candidates underwent a structured selection process, including aptitude assessments, group discussions, and personal interviews. The event provided students with a valuable opportunity to kickstart their professional careers with a reputed organization in the insurance sector.

National Innovation Day.

National Innovation Day was celebrated on October 15, 2025, in remembrance of Dr. A. P. J. Abdul Kalam, honoring his vision for creativity and innovation. The event featured a guest speaker who inspired students to think beyond conventional boundaries and transform their ideas into unique innovations.

The session was highly engaging and intellectually stimulating, encouraging students to enhance their critical thinking skills and focus on developing innovative solutions. It served as a motivating platform for nurturing creativity and a spirit of inquiry among the students.

Diwali Celebration

Festivals embody the spirit of togetherness, joy, and cultural harmony. Diwali, the festival of lights, sweets, and colors, was celebrated on October 16, 2025, by the Cultural Committee at the college. Students and staff enthusiastically participated in the celebrations by creating rangoli, decorating the seminar hall, lighting diyas, and exchanging sweets with one another.

The celebration filled the campus of Swayam Siddhi Mitra Sangh with a vibrant and festive atmosphere, fostering unity and happiness among all.

Wishing everyone a joyful and prosperous Diwali!

Hands on Workshop on Power BI

A hands-on workshop on Power BI was conducted on November 15, 2025, for students to enhance their data analytics and visualization skills. The session provided practical exposure to creating interactive dashboards, reports, and deriving meaningful insights from data. Students actively participated in real-time exercises, gaining a deeper understanding of business intelligence tools and techniques.

The workshop proved to be highly informative and skill-oriented, equipping students with essential competencies required in the corporate environment. It also encouraged analytical thinking and data-driven decision-making among the participants.

Workshop on Fraud Risks Analysts

A workshop on Fraud Risk Analysis was conducted on November 16, 2025, to provide students with insights into identifying and preventing financial frauds in organizations. The session highlighted key risk areas, common fraud patterns, and the importance of strong internal controls. Through practical examples and interactive discussions, students gained a better understanding of how fraud risks are assessed and managed in real-world scenarios.

The workshop was informative and engaging, helping participants develop awareness and critical thinking skills in the field of risk management.

Spring Boot Workshop

Mr. Mahesh Suryavanshi, a guest speaker, conducted a 2-day hands-on session on November 22 & 23, 2025. The session was about Java's Spring Framework. Students gained valuable insights and new strategies, making the workshop a success. The session ended on a positive note, with students appreciating the learning experience.

National Level Seminar

A multidisciplinary national-level conference was organized on December 13, 2025, in hybrid mode for MMS students. An interactive session was conducted on the theme “Trajectory of Higher Education Landscape: The Next Decade in India,” where distinguished guests shared valuable insights on emerging trends and future opportunities in higher education. The session encouraged students to broaden their perspectives and prepare for the evolving academic and professional landscape.

The event concluded successfully, leaving participants inspired and motivated.
